1. No personnel traffic was observed at the brewery in Liesing. It could not be determined whether motor vehicles were parked within the installation. A motor vehicle shed had been erected on Breitenfurter Strasse at the intersection with the Vienna mountain spring water supply. The shed was occupied by 5 trucks                      and 1 bus and was guarded by a sentry wearing black-bordered blue epaulets. The factory on Seybel Gasse was guarded by a sentry wearing black-bordered blue epaulets. Jeep                      and truck                      both of them occupied by personnel wearing black-bordered blue epaulets, the latter with a civilian driver, were parked in front of the factory. Two majors with blue service color entered the installation. Motor vehicle repair work which previously had been observed was not being done. The quarters in building No 17 on Heckel Gasse were occupied but unguarded. Trucks                      with driver wearing black-bordered blue epaulets, were parked in front of the building No 25 on Lehmann Strasse and was guarded by a sentry wearing black-bordered blue epaulets and frequented by officers and personnel wearing black-bordered blue epaulets. Jeep                      truck                      and van-like truck                      all of them with drivers wearing black-bordered blue epaulets, parked in front of the installation. No 24 on Schloss Gasse was unguarded. Officers wearing blue service color entered and left the building. Sedans                      with drivers wearing black-bordered blue epaulets and each occupied by a colonel and two majors wearing blue service color, drove up to the building, which the officers subsequently entered.
2. The former sanatorium in Kalksburg was no longer occupied by the Soviets.
3. Soviet personnel wearing black-bordered blue epaulets was observed entering civilian apartment houses and restaurants in the Kalksburg-Rodaun (O 49/X 38) area. Soviet-occupied installations were not reconnoitered.
